WHO WE ARE

INSIGHT CODING & COMPLIANCE PARTNERS

OUR MISSION

Insight Coding & Compliance Partners provides coding, auditing, and compliance solutions focused on accuracy, integrity, and measurable improvement.

We support organizations in building stronger processes and more defensible outcomes — reducing audit risk, improving documentation quality, and strengthening revenue integrity.

MONTEAL MARTIN

Founder & CEO | AAPC Approved Instructor

I am intentional in my work, disciplined in my approach, and detail-driven without losing sight of the bigger picture.

My experience spans medical coding, compliance auditing, and revenue cycle management — focused on identifying risk and driving measurable improvement.

I specialize in bridging documentation, coding, and compliance to support accurate and defensible outcomes.

CREDENTIALS & EXPERTISE

WHAT EACH CREDENTIAL MEANS FOR YOUR ORGANIZATION

CCS

WHY PARTNER WITH ICCP?

What sets us apart

01 Multi-credentialed expertise across coding, auditing, compliance, and revenue cycle — not siloed knowledge.

02 Active industry practitioner — currently auditing at a major health system while staying current on payer and regulatory changes.

03 Published author in three major industry outlets, bringing recognized thought leadership to your organization.

04 AAPC Approved Instructor — qualified to train and develop your coding and compliance staff to national standards.

05 Results-focused approach built on root cause analysis, corrective action, and measurable outcomes — not just reports.
